Memo for Orders on No. 681

By G.O. dated 17th December 1869 No. 3206, the Govt. with reference to a ^{signed} ~~lapsed~~ ^{Sham} in Tinnivelly which was not secured by a Shamud but was held in return for service in lighting lamps at a mosque, called upon the Collector to state whether its discontinuance would entail inconvenience on the community.

2. The A.C. Collector now reports that there are five other mosques in the town of Tinnivelly used for worship & that the resumption of the Sham in question would cause no inconvenience.

Lapsed service Shamud in Tinnivelly District.—Its continuance to H. M. Khan, brother of the deceased Xeebaniyer, sanctioned.

3. The instructions of the Home Gov^t, however, are positive against the resumption of "Religious & Charitable endowments held without grant & applied to objects of a permanent nature." The Court of Directors in para 27 of their Despatch dated 1st Sept^r/58 expressed an opinion that such grants "should be confirmed in perpetuity or for so long as the purposes to which they are applicable are fulfilled, & this view of the case was reiterated by Sir Charles Wood in his Despatch of 9th Dec^r/63 N^o 83, and again in that of 17th May/65 N^o 20. There is furthermore

no precedent for the resumption of a ¹³ grant in the Tinnevely district so long as the service attached to it remained performed.

4. It therefore appears that the Capped Grant, referred to by Mr. Longley, should be continued.
