*Proceedings of the Madras Government, Revenue Department,
30th May 1870.*

No. 333. Read the following Proceedings of the Board of Revenue, dated 20th April 1870, No. 2,540:—

Read the following letter from the Acting Collector of Trichinopoly, to the Acting Secretary to the Board of Revenue, dated 15th March 1870, No. 57.

In accordance with the Board's Proceedings, No. 7,942, dated the 26th October 1869, the seigniorage on firewood in this district has been raised to Rupee 1 per bandy-load for firewood. I beg, however, to observe that no alteration has been made in the seigniorage to be levied on charcoal, and which is now levied at 8 Annas per cart as formerly. It is generally understood that three carts-load of firewood go to make up one of charcoal, and I would take leave to suggest whether the seigniorage on charcoal should not also be raised to the sum of Rupees 1-8-0, or at least to the same rate as that now imposed on firewood.

SUBMITTED for the orders of Government.

2. The Board recommend that the rate of seigniorage on charcoal, recommended by Mr. Cadell, be adopted in Trichinopoly.

3. Before extending it to other districts they propose to call on the Collectors of them for report. There is information now before the Board which shows that the enhanced rates of tax on firewood are not fairly applicable to all districts, and it may be the same with the tax on charcoal.

No. 334. ORDER THEREON, 30th May 1870, No. 785.

Forests, No. 6.

As proposed by the Acting Collector of Trichinopoly, and recommended by the Board of Revenue, the Govern-

ment grant authority for raising the rate of seigniorage on charcoal in that district to Rupees 1-8-0 per cart-load.

2. The Government will await a further communication from the Board respecting the extension of the above-mentioned rate to the other districts.
