31st May 1870.*

No. 341. Read the following letter from the Government Quinologist, Ootacamund, to the Acting Secretary to Government, Revenue Department, Fort Saint George, dated 14th May 1870 :—

I HAVE the honour to request sanction, in advance, for the following items of expenditure, allowed in my Budget-Estimate for the current year (G. O., No. 2,903, of 2nd November 1869):—

The sum of Rupees 2,600, estimated for Saderwarid and Contingencies, inclusive of fuel-expenses.

The sum of Rupees 300 for sundry manufacturing materials.

2. I also beg leave to expend £50 in England, (as previously sanctioned *loc. cit.*). The greater part of this will be employed to purchase chemicals, to be devoted to the examination of indigenous vegetable medicines, agreeably to the purport of G. O., No. 2,505, of 4th September 1869, and the Despatch of Secretary of State in Proceedings of Madras Government, Revenue Department, No. 240, of 22nd January 1870. The remainder will be devoted to the purchase of glass-vessels for laboratory use, re-placing broken ones, etc., and certain stoichimetical apparatus, which need scarcely be particularised here.

3. Also, I request sanction for the sum of Rupees 100, estimated cost of carriage of same; and also permission to charge any small excess of this sum, should it occur, to the head of contingent expenditure.

No. 342. ORDER THEREON, 31st May 1870, No. 790.

Miscellaneous.

SANCTION is accordingly granted for the several sums specified in this letter. The amount provided for

Saderwarid and Contingencies should not be drawn in one sum, but in such amounts as are required from time to time.
