*Proceedings of the Madras Government, Revenue Department,
3rd June 1870.*

No. 45. Read the following letter from the Acting Secretary to the Board of Revenue, to the Acting Secretary to Government, Revenue Department, Fort Saint George, dated Madras, 27th May 1870:—

THE Board are informed that the appeal in the Marangapoory case, referred to in Board's Proceedings, 4th November 1869, No. 8,165, came on for hearing before the High Court this day.

2. The appellants argued, amongst other points, that the estate was not an unsettled polliem, and the Court allowed them a fortnight to file a list of the documents on which this plea was based, and determined that, even if the case had to be referred back to the Original Court on other grounds, this part of it should first be settled in the Appellate Court. The Advocate General, who appeared for the respondent (the Zemindar), mentioned that it might be desirable for Government to intervene, and the Court appeared to see no objection to this course.

3. As the interests of Government are involved I am directed to request that the Board may be authorized to instruct the Government Pleader to take the requisite measures for protecting them.

No. 46. ORDER THEREON, 3rd June 1870, No. 815.
