*Proceedings of the Madras Government, Revenue Department,
6th June 1870.*

No. 69. Read the following letter from the Officiating Collector of Vizagapatam, to the Chief Secretary to Government, Madras, dated Vizagapatam, 9th May 1870, No. 221 :—

I HAVE the honour to forward herewith extract from the Result Statement of the examination of the accounts of this office for March last, in which the deputation allowance drawn by the Acting Treasury Deputy-Collector is retrenched by the Deputy Accountant-General.

2. In the *Gazette* of the 15th February last Mr. McMurray was appointed to act as Deputy-Collector during the employment of Mr. Richardson on other duty. No class being mentioned it appears to me that Mr. McMurray is entitled to deputation allowance at 20 per cent. under the Financial Resolution of the Government of India, dated 30th October 1869; No. 2,269A, and 11th December 1869, No. 3,103. It could not have been the intention of Government that Mr. McMurray should perform the duties of Deputy-Collector for an indefinite period without any increase to his pay; I therefore request the orders of Government on the subject.

3. It will be observed that the Deputy Accountant-General quotes no authority under which he makes the retrenchment.

No. 70.

ORDER THEREON, 6th June 1870, No. 827.

Miscellaneous.

THE Right Honourable the Governor in Council is of opinion that the procedure of the Audit Department is correct. Mr. McMurray, as Head Sheristadar, draws a salary of Rupees 250 per mensem, but if appointed to the permanent office of Deputy-Collector of the 4th class, he would only draw the same rate of salary; consequently he cannot be permitted to draw a higher rate when only officiating in the superior appointment.
