*Proceedings of the Madras Government, Revenue Department,
7th June 1870.*

No. 88. Read the following Proceedings of the Board of Revenue, dated 6th April 1870, No. 2,299 :—

Read the following letter from the Officiating Collector of Nellore, to the Acting Secretary to the Board of Revenue, dated 17th March 1870, No. 563.

AFTER the correspondence marginally noted had passed, it was determined by Government Order, 8th June 1869, No. 1,617, Revenue Department, that at the commencement of the approaching official year, or earlier, should accommodation be available, the Head Assistant of this district should remove to Naidupett, and assume, what has hitherto been, the Deputy-Collector's charge; while the head-quarters of the latter officer should be transferred to Atmakur.

2. A site for an office for the Head Assistant was selected by the Deputy-Collector and approved of by Mr. Melville, but nothing has yet been done towards building one; the last order of Government on the subject forthcoming in this office, dated 24th August 1869, No. 2,410, Revenue Department, shows that a standard plan had not then been determined upon.

3. Mr. Knox, the present Acting Head Assistant Collector, has asked me to bring the subject to the Board's notice, so that sanction may be obtained for the postponement of the change ordered, until such time as there should be fitting accommodation.

4. I beg to submit this request for favourable consideration. Mr. Melville showed* in June last that a year previously the building used at Naidupett as an office by the Deputy-Collector was incommensurate and in a ruinous condition. The interval which has elapsed must have further deteriorated it. Under the circumstances I do not see how it is possible for the move to take place.

5. The same objection holds to the Deputy-Collector's transfer to Atmakur. There is, I believe, no accommodation whatever there. Mr. Melville in his letter quoted in the preceding paragraph said that it would be necessary to build, and the Board agreed that the office should be distinct from the Talook Cutcherry. There the matter rests.

6. I request therefore that the sanction of Government may be obtained for their Order of the 8th June last, No. 1,617, remaining in abeyance for the present, so far as the officers above referred to are concerned.

*Proceedings of the Madras Government, Revenue Department,
7th June 1870.*

SUBMITTED for the orders of Government. The Collector requests that the Order of Government, 8th June 1869, No. 1,617, directing the transfer of the Head Assistant Collector's head-quarters to Naidupett and the Deputy-Collector's to Atmakur may be placed in abeyance pending the provisions of accommodation.

2. The Board see no alternative but to adopt the Collector's recommendation.

No. 89.

ORDER THEREON, 7th June 1870, No. 836.

Miscellaneous.

THE Government direct that their Order, dated 8th June 1869, No. 1,617, be held in abeyance, until a suitable

building for the Head Assistant's Office has been built at Naidupett.
