No. 104.

ORDER THEREON, 8th June 1870, No. 844.

Miscellaneous.

THE report sent up by the Collector contains no information as to the nature and origin of the lapsed pension. The Government observe that it is entered in the "Book of Civil and Political pensions" of the Madras Presidency, as they stood on the 1st May 1858, as having been granted in perpetuity by an Order of Government, dated 21st October 1851, No. 1,050, but on reference to that Order it appears that the continuance of the pension to the present incumbent only was sanctioned. These points should have been noticed by the Collector who is now requested to supply the omission, and to state in what relationship the deceased pensioner stood to the Poligar of Cheytwell, whose estate was resumed at the beginning of the present century, and whether any other members of the same family are in the enjoyment of pensions.
