SIR,—In continuation of my letter, dated 18th February 1870, No. 239, I am directed to forward the accompanying further papers, regarding the cultivation of the *Pinus maritima* in this Presidency.

2. The tree has been acclimatized on the Neilgherries. As, however, it has been found, in general, ill-adapted for growth on the plains, either on the coast or inland, and does not yield valuable timber, this Government have directed that no further expense should be incurred on its propagation.

I have the honour to be,

Sir,

Your most obedient Servant,
