*Proceedings of the Madras Government, Revenue Department,
14th January 1870.*

No. 186. Read the following Proceedings of the Board of Revenue, dated 7th January 1870 :—

Read the following letter from the Acting Collector of South Canara, to the Acting Secretary to the Board of Revenue, dated Mangalore, 15th December 1869, No. 1,598.

Among the works, the construction or progress of which has been stopped in this district, owing to the reductions made in the Imperial Budget of Public Works of the current year 1869-70, the building of the Coir godown, sanctioned in the marginally noted order of Government, has also been postponed, and it is more than doubtful whether funds will

be available for the work even in the ensuing official year 1870-71.

2. Under these circumstances it becomes necessary to avoid storing in the next wet season, as much of the Amindivi Coir-yarn as can safely be disposed of prior to it. To enable me to do so, I must be informed in time of the wants of the Calcutta Dockyard for the year 1871-72. Their requirements, for 1870-71, have already been notified to me, and will be supplied from the stock now in hand, but I expect a further supply of about 300 candies by the end of February next, and, if I can be informed of the quantity to be reserved for Calcutta, I can then at once dispose of the surplus by auction, and thus save the necessity of storing and deteriorating by storage any portion of it during the next monsoon.

3. I beg, therefore, to request that the Board will be pleased to ask the Government to ascertain and inform me, at as early a date as possible, of the amount of Coir-yarn that I shall have to reserve to meet the possible wants of the Calcutta Government for the year 1871-72.

SUBMITTED to Government with the request that they will be pleased to ascertain the amount of Amindivi Coir required by the Government of India.

No. 187. ORDER THEREON, 14th January 1870, No. 90.
