*Proceedings of the Madras Government, Revenue Department,
21st June 1870.*

No. 254. Read the following letter from the Secretary to the Government of India, Home Department—Public, to the Acting Secretary to the Government of Fort Saint George, dated Simla, 13th May 1870, No. 2,349:—

I AM directed to acknowledge the receipt of your letter, No. 375, dated 19th March last, submitting a copy of the Proceedings of the Government of Madras, dated 24th February, relative to the Census of 1871, and inviting attention to the opinion expressed in paragraph 8 thereof respecting the enumeration of females.

2. In reply, I am directed to state that the additional form for females was designed solely to give local Governments the option, if they desired it, of recording the number of females in a less strict method than that prescribed for males, and that the Government of India have no objection whatever to the Government of Madras dispensing with the form in question, if it be considered that the first form altered in the manner suggested will be sufficient. The Governor-General in Council, however, does not understand what is meant by the word "Designation" in the proposed heading of "Name, designation, or number" in column 10 of the enumeration forms.

No. 255. ORDER THEREON, 21st June 1870, No. 914.
