Proceedings of the Madras Government, Revenue Department,
22nd June 1870.

No. 261. Read the following Proceedings of the Board of Revenue, dated 3rd June 1870, No. 3,776:—

Read the following letter from the Collector of Cuddapah, to the Acting Secretary to the Board of Revenue, dated Goorumcondah, 7th May 1870, No. 81.

In the village of Matli in the Royachoti Talook there is a Khandrika Inam, consisting originally of 36 fields, in extent acres 409.43. Title-deeds were issued by the Inam Commissioner for acres 388.93, and the remainder, acres 20.50, was zufted. Of this acres 6.95 are still Government waste, while puttahs have been issued to the Inamdars for the remaining acres 13.55, consisting of small detached portions of land scattered over the 36 fields composing the whole original Inam.

2. To obviate the inconvenience and expense to the Special Department of demarcating and classifying so many minute portions of puttah lands, the Inamdars have agreed, in writing, to give up acres 19.59 of their Inam land contained in dry fields Nos. 30 and 39 and wet field No. 20, altogether assessed at Rupees 9-13-9, and to receive in exchange an equivalent, consisting of small portions of land contained in 34 of the fields, partly held on puttah and partly waste, and amounting in all to acres 19.59, assessed at Rupees 9-7-3.

3. Of the whole of the zufted portion of the Inam (acres 20.50) there will then remain only 91 cents partly held on puttah and partly waste, and this alone will have to be separately demarcated.

4. I have the honour to request the Board to sanction this exchange.

5. In that case the matter will be referred to the Inam Department in order to corresponding alterations being made in the title-deed.

SUBMITTED to Government with the recommendation that the proposed consolidation of an Inam by exchanging scattered portions for Government land, assessed at the same amount, may be sanctioned.

No. 262. ORDER THEREON, 22nd June 1870, No. 918.

Miscellaneous.

THE Government sanction the recommendation of the Board. The requisite alterations should be made in the title-deeds.
