*Proceedings of the Madras Government, Revenue Department,
23rd June 1870.*

No. 283. Read the following Proceedings of the Board of Revenue, dated 30th May 1870, No. 3,676:—

Read the following letter from the Collector of South Arcot, to the Acting Secretary to the Board of Revenue, dated Cuddalore, 21st April 1870, No. 96.

In reference to Board's Proceedings, dated 11th instant, No.—, communicating Government Order, 6th idem, No. 456, relating to certain irregularities which prevailed in connection with Forest Conservancy in the Trinomallay Talook, as reported by me in my letter of the 3rd February, No. 34, which heads the Proceedings in question, I have the honour to observe that the Board have failed to take any notice of my subsequent letter of the 22nd idem, No. 50, in which I reported that the officer in charge of the Deputy Conservator's Office had informed me that all the grievances complained of had been, or would be, wholly remedied.

2. It has occurred to me that through some oversight my second letter was omitted to be read in connection with my first when forwarding the papers to Government with the Board's Proceedings under present acknowledgment.

MR. READE's letter of the 22nd February had not come under consideration when orders were passed on his letter dated the 3rd of the same month.

2. A copy of Board's Proceedings, 4th April 1870, No. 2,248, will be submitted for the information of Government.

ENCLOSURE No. 1.

Proceedings of the Board of Revenue, dated 4th April 1870, No. 2,248.

Read the following letter from the Collector of South Arcot, to the Acting Secretary to the Board of Revenue, dated Cuddalore, 22nd February 1870, No. 50.

In continuation of my letter, No. 34, of the 3rd instant, I have the honour to inform the Board that by a letter received from the Officer in charge of the Forest Deputy Conservator's Office of Salem and South Arcot, all the grievances therein brought to notice have been remedied.

2. Orders have at once been issued cancelling previous ones restricting free passes for cutting firewood to one or two particular occasions, while as regards the charcoal contracts they have only to run until 31st March, when such contracts will be discontinued, and before then action could not be taken, and the cessation of the contracts after the date just mentioned sufficiently meets the grievance of our ryots on the subject.

COMMUNICATED to the Conservator of Forests, with reference to Board's Proceedings, dated 9th March 1870, No. 1,626.

2. Although the Collector states that the ryots' grievances have been redressed, the Board still think it necessary that the Conservator should direct his attention to the matter.

No. 284. ORDER THEREON, 23rd June 1870, No. 930.

Forests, No. 15.

Mr. READE should have forwarded to the Board the letter received by him from the Deputy Conservator, referred to in his letter dated 22nd February 1870. The subject of Forest Conservancy
