*Proceedings of the Madras Government, Revenue Department,
23rd June 1870.*

No. 290. Read the following Proceedings of the Board of Revenue, dated 21st May 1870, No. 3,516 :—

Read the following letter from the Acting Collector of South Canara, to the Acting Secretary to the Board of Revenue, dated Mangalore, 1st April 1870, No. 457.

I HAVE the honour to bring to the notice of the Board that the term for which the continuance of the temporary Survey Establishment attached to this district was sanctioned in Government Order, dated the 29th April 1869, No. 1,169, expires on the 31st instant, and the establishment will be discharged from the 1st proximo, in pursuance of the instructions conveyed in Board's Proceedings, dated the 29th November 1869, No. 8,772.

2. The Surveyor* employed in charge of this establishment consequently loses his post of 70 Rupees, which he has held continuously from November 1865.

* O. Annappa.

† To Board, 9th July 1869, No. 827, para. 3. His services in connection with the survey have been valuable as reported† to the Board in my letter noted in the margin, and he has given me such satisfaction by the way in which he discharged his duties that he has a claim that I should retain his services on my fixed establishment in a suitable situation of like emolument that can be offered him.

3. He has not, however, passed the Uncovenanted Civil Service Examination, although he was employed in different capacities on the fixed establishment of the Public Works Department prior to his entertainment as a Surveyor in the Revenue Department, such employment dates from a period subsequent to 1st January 1859, and consequently his appointment on the permanent establishment to any post, the salary of which exceeds Rupees 20, is barred by the Uncovenanted Civil Service Examination Rules.

4. In consideration, however, of the valuable services rendered by him for a period of five years, and the claim he has, that employ should be found for him till he is again wanted in the Public Works or Survey Department on a salary equal to that he now loses, I have the honour to recommend that the sanction of Government be obtained for exempting him from the General Test Examination Rules.

5. Pending such sanction, and with a view to secure his services, I have already given him a fixed post of 25 Rupees in my office, with the reversion to a post of Rupees 70 on the retirement, in October next, of the Store-keeper, Bilgi Krishta Row.

6. A list of the services of the Surveyor, together with copies of testimonials in his possession is enclosed.

ENCLOSURE No. 1.—Statement of Service.

ENCLOSURE No. 2.—Copy of Testimonials.

*Proceedings of the Madras Government, Revenue Department,

SUBMITTED for the favourable consideration of Government.

2. The Board observe that O. Annappa has been continuously employed since the 11th of December 1859, and for the last four and-a-half years has done good service in the temporary Survey Establishment, employed in South Canara under the orders of Government, on a salary of 70 Rupees a-month.
