*Proceedings of the Madras Government, Revenue Department,
24th June 1870.*

No. 296. Read the following Proceedings of the Board of Revenue, dated 1st June 1870, No. 3,730:—

Read the following letter from the Acting Collector of Bellary, to the Acting Secretary to the Board of Revenue, dated 16th May 1870, No. 153.

A CASE has been brought to my notice in which a ryot, named Luckasani Nettukul of Koncondla in the Ghooty Talook, was over-charged the assessment of 10 acres of land, never cultivated by him, and which are in excess of the actual measurement of the number, which is found to be only 15 acres, and in which no part whatever is held or has been held by the ryot.

2. The Head Assistant Collector reports that all the neighbouring fields were measured, and that the excess of charge was unwarranted. The field in question containing not more than 15 acres, the whole of which is held by a different ryot altogether.

3. The Curnum, in explanation of this over-charge, says that the land adjoins an Inam held by the petitioner, that he supposed that the deficiency of 10 acres is included in this Inam, though unaccounted for, and that he did not actually measure the land.

4. The field has been carefully azmayished, and in area found to be only 15 acres: it is difficult to say how this excess appears in the Pymayish. It is probably a clerical error in originally transcribing the accounts.

5. As the ryot has thus paid, since Fusly 1274, Rupees 38 in all for the land he never cultivated, I have the honour to request sanction of the Board for a refund of this sum.

SUBMITTED to Government who will be requested to sanction the refund of Rupees 38, improperly collected from a ryot since Fusly 1274.

No. 297. ORDER THEREON, 24th June 1870, No. 936.

Land Revenue.

SANCTIONED, Rupees (38) thirty-eight.

(True Extract.)

(Signed) R. S. ELLIS,
Chief Secretary.
