*Proceedings of the Madras Government, Revenue Department,
24th June 1870.*

No. 306. Read the following letter from the Accountant-General, Madras, to the Acting Secretary to Government, Revenue Department, Fort Saint George, dated 8th June 1870, No. 71:—

With reference to paragraph 20 of Government Order, 1st June 1870, No. 798, I have the honour to report that Deputy-Collector Vencatachellum Puntulu has drawn no allowance whatever from 1st March 1869, though he would have been allowed of his salary under the rules had he claimed it. With regard to the inquiry as to what portion of his salary is still available, I have the honour to state that K. Subba Row was acting as Deputy-Collector on general duty in the Kistna District, to which post Vencatachellum was permanently attached, and drew deputation allowance at 85 Rupees per month up to 1st January 1870, on which date he was made a permanent Deputy-Collector on general duty in a separate vacancy, and appointed to the Kistna District. As Vencatachellum was not then transferred to any other district, and as Government do not appoint Deputy-Collectors to act for each other, this department is not able to apportion Vencatachellum's salary between him and his *locum tenens*.

2. I beg, however, to point out that there was a vacancy among Deputy-Collectors up to 10th May last, the date on which Vencatachellum was restored to his appointment of Deputy-Collector.

No. 307. ORDER THEREON, 24th June 1870, No. 941.

Miscellaneous.

As it appears from the foregoing letter that from the date of Vencatachellum Puntulu's suspension up to the 31st of December last, the full amount of his salary, less Rupees 85, was available, and from the latter date up to the 10th May last, the full amount without any deduction, the Right Honourable the Governor in Council is pleased to sanction the payment to him of Rupees 300 per mensem in arrears for the whole period of his suspension.
