With reference to the provisions of Chapter IV. of "The Court Fees Act, 1870," the Government resolve to request that the Honourable the Judges of the High Court will be good enough to frame and submit, for the confirmation of this Government and for the sanction of the Government of India, the Rules required to be made under Section 20 of that Act, as to the levy of fees for serving and executing processes issued by the High Court in its appellate jurisdiction, and by the other Civil, Revenue, and Criminal Courts established within the local limits of that jurisdiction, and as to the remuneration of the peons employed by leave of a Court in the service and execution of processes.

2. A copy of the Proceedings of Government under date the 26th ultimo, No. 570, in which is recorded the opinion of the Board of Revenue on the subject of the fees leviable for the service of revenue process, will be communicated to the Judges of the High Court for their information.

3. The Judges will also be requested to frame and submit for the approval of the Local and Supreme Governments, as required by Section 22 of the Act, the Rules for regulating the strength of the establishments to be employed for the service and execution of processes issued by each of the Civil and Criminal Courts.

4. The Board of Revenue will be called upon to prepare and submit the Rules to be made under Section 23 of the Act, as to the number of peons required for serving and executing processes issued out of the Revenue Courts in this Presidency.

5. It is observed that the Proceedings of the Council of the Governor-General for making Laws and Regulations under date the 4th March 1870, published in the *Fort Saint George Gazette* Supplement of the 5th instant, contain certain observations made by the Hon. Messrs. Cockerell and Chapman on those provisions of the Court Fees Act which relate to process fees and to the rules to be framed for regulating the numerical strength and cost of the establishments to be employed in serving the processes. These observations may, in the opinion of Government, be usefully referred to in the preparation of the Rules now called for.

6. The Board of Revenue will also be requested, through the Revenue Department, to favour the Government with a draft of the Rules which, under Section 27 of the Act, the Local Government are required to make for the supply, number, renewal, and keeping of accounts of the stamps to be used in the several Courts in payment of Court fees.

7.
