*Proceedings of the Madras Government, Judicial Department,
18th May 1870.*

No. 67. Read the following Proceedings of the Government of India in the Financial Department, dated Fort William, 27th April 1870, No. 2530 :—
Accounts.]

Read the following correspondence :—

Letter, No. 595, dated 17th November 1869, from the Accountant-General, Bengal, and letter, No. 3167, dated 15th December 1869, to the Comptroller-General of Accounts, regarding the crediting to the general revenues of the fees for the service of processes in the Lower Provinces of Bengal.

Letter, No. 1235, dated 8th January 1870, from the Comptroller-General of Accounts, stating that the Secretary of State approved of the absorption of such fees in the general revenues on completion of the revision of the pay of ministerial establishments, divisional and district, in the Judicial and Revenue Courts, and recommending that, if the revision has now been generally carried out, an order might be issued to credit all fees for the service of processes at once to revenue; and to transfer the accumulated balances of the funds, where this has not already been done.

RESOLUTION.—The Governor-General in Council observes that, since the date of this correspondence, the Court Fees Act, No. VII. of 11th March 1870, has been passed, which, among other things, has repealed the Act which had constituted into a local fund the fees for the service of processes in the Lower Provinces of Bengal.

2. In the Presidencies and Provinces to which the Act is applicable, the fees for the service of processes of the Civil, Criminal, and Revenue Courts are to be collected by stamps, the proceeds of sale of which stamps will be credited to the general revenues, while the charges for serving processes will be adjusted against the grants for Law and Justice, Land Revenue, &c. The estimates for 1870-71 have been arranged on this principle.

3. The Local Governments and Administrations of the territories in which the Act has force from 1st April 1870 should be requested, through the Home Department, to submit, for approval, rules for regulating the remuneration and the number of the peons for the service of processes in the several Courts affected by the Act, the charges being passed meanwhile, according to the existing scale of such expenditure, against the general grants for the heads of service concerned.

4. As recommended by the Comptroller-General of Accounts, balances at credit of any funds for the service of processes, and not yet transferred, will be credited to the general revenues.

Ordered that a copy of this Resolution be sent to the Home Department, the several Local Governments and Administrations, the Comptroller-General of Accounts, and the several Accountants-General and Deputy Accountants-General in independent charge.
