*Proceedings of the Madras Government, Revenue Department,
27th June 1870.*

No. 324. Read the following letter from the Acting Collector of North Arcot, to the Acting Secretary to Government, Revenue Department, Fort Saint George, dated Chittoor, 23rd May 1870, No. 30:—

IN reply to the Order of Government, dated 4th April last, No. 440, I have the honour to state that there is no objection to making over to Veerasawmy Moodelly an equal extent of land for that taken up for the new Talook Cutcherry at Arcot from the plot measuring two and-a-half cawnies situated near the fort rampart. But that individual does not consent to accept an equal extent of land as originally proposed: he demands that the whole plot consisting of two and-a-half cawnies should be given over to him. This demand I consider very unreasonable, and so it is proposed to have recourse to Act VI. of 1857, in order to obtain possession of the land required for the new Talook Cutcherry.

2. The plot of ground to be given up by Veerasawmy Moodelly is very small ($\frac{1}{2}$ cawny), while that which he demands in exchange is out of all proportion; and the Government will doubtless concur with me in considering that Veerasawmy Moodelly has no right to receive so much in lieu of the very petty extent of land that he is required to yield for public purpose.

No. 325. ORDER THEREON, 27th June 1870, No. 951.

Miscellaneous.

As Veerasawmy Moodelly refuses to accept an equivalent of land near the fort, the Government resolve to

declare the land now held by him to be required for a public purpose under Section 6, Act X. of 1870. The following Notification will be published in the *Fort Saint George Gazette*:—

“Under Section 6, Act X. of 1870, the Governor in Council hereby notifies
“that a plot of dry land, No. 1,006, measuring 5 As. 8 Cks. of a cawny, and
“assessed at Rupees 2-1-0, in the district of North Arcot, which is at present in
“the possession of one Veerasawmy Moodelly, is required for a public purpose,
“having been selected as part of the site for the new Talook Treasury at Arcot.
“A plan of the site in question may be inspected at the Collector's Cutcherry at
“Chittoor.”

2. On the appearance of this Notification in the Gazette, the Collector is directed to take order for the acquisition of the land under Sections 8 *et seq.* of Act X. of 1870.
