*Proceedings of the Madras Government, Revenue Department,
30th June 1870.*

No. 374. Read the following Proceedings of the Board of Revenue, dated 27th May 1870, No. 3,631 :—

Read the following letter from the Acting Collector of Coimbatore, to the Acting Secretary to the Board of Revenue, dated 9th May 1870, No. 105.

ADVERTING to the Order of Government, Public Works Department, dated 12th ultimo, No. 1,017, communicated with the Board's Endorsement, dated 6th instant, I venture to hope that, considering the emergency of the case and the small amount of funds required, the Board will not object to make one more appeal to Government for an immediate allotment for the completion of the repairs to the Collegal Talook Cutcherry.

2. The Order states that the question will be dealt with when applications for grants to meet payments on account of other Cutcheries come before the Government.

3. Permit me to point out that the cases are wholly different. The other Cutcheries are new buildings, erected on different sites, and the Tahsildars are put to no inconvenience, having their old offices to carry on business in till the new ones are completed; but at Collegal, the roof has been taken from over the Tahsildar's head. How in the world in one room crowded with records, stationery, stamp, and the treasury, he manages to carry on work at all is a mystery to me: I presume a good deal of it is done out of doors, but the south-west monsoon which is fast blowing up, will put a stop to this. It is therefore most unfair to this officer to put the application on behalf of the Collegal building in the same category with the new Talook Cutcheries which have never been occupied.

SUBMITTED for the orders of Government.

No. 375. ORDER THEREON, 30th June 1870, No. 976.

Miscellaneous.

UNDER the circumstances represented by the Acting Collector, the Superintending Engineer will be instructed, through the Public Works Department, to have the repairs to the Collegal Cutcherry executed, as a *special case, at once*, in anticipation of the allotment of the necessary funds (Rupees 800) hereafter.

 (H.C. 27. May 70 No 363)

Under the circumstances
 he must deviate from
 the rule. College is
 a very common thing
 to look at the shoulder
 literally has set a
 roof over his head.
 The sanction should
 be noted as "special"

Under the circum-
 stances represented
 by the A. C. Coll. The
 Sup. Engineer will
 be instructed through
 the Public Works Dept
 to have the repairs
