*Proceedings of the Madras Government, Revenue Department,
30th June 1870.*

No. 400. Read the following Proceedings of the Government of India, Public Works Department, (Revenue Forests,) dated Simla, 14th June 1870, No. 6 :—

Death of European Uncovenanted Officers to be reported to the Secretary of State.

Read the following despatch from the Secretary of State for India, to the Government of India, dated 28th April 1870, No. 18.

INQUIRY having been made to this department by Mr. Grahame, (the father of William Luke Grahame, engaged as a Forester, and serving in the Central Provinces), about his son, it was only by an accident, through an incidental mention of his death on the Routine List of Forest Proceedings, not printed, for November last, that information of the fact could be given to him.

2. Similar cases frequently occur in regard to persons who have gone out from this country, and entered the Uncovenanted Service of the Crown, in the Revenue and Forest Departments.

3. I desire therefore that the death of every person so employed in the Revenue and Forests, as well as in all other departments, being a European, and not belonging to one of the Covenanted Services, be immediately reported to the Government or Administration, under which he is serving; and that that Government and Administration be instructed to announce the circumstance without delay to this Office, in order that persons inquiring after their relations may receive officially the earliest correct information in regard to them.
