*Proceedings of the Madras Government, Revenue Department,
17th January 1870.*

No. 203 Read the following letter from H. CLEGHORN, Esq., M.D., late Conservator of Forests, to the Secretary to Government, Revenue Department, Fort Saint George, dated India Office, Westminster, 3rd December 1869:—

I HAVE the honour to request the favour of being supplied with a copy of Major Beddome's Works (*Flora Sylvatica* and *Icones Plantarum Indiæ Orientalis*) now being published under the auspices of Government. I shall also be glad to receive any other publications relating to the Forest Department with which I was so long connected.

2. It may be considered a valid reason for making this request, that I am now employed by the Right Honourable the Secretary of State in examining Forest Candidates, (as I was also in the Spring of this year,) and that I am consulted by His Grace, from time to time, on questions relating to forestry.

3. If this request be complied with, the publications may be sent to me—care of Secretary, Revenue Department, India Office.
