*Proceedings of the Madras Government, Revenue Department,
14th June 1871.*

No. 179. Read the following Proceedings of the Board of Revenue, dated 26th May 1871, No. 2,159:—

Read the following letter from the Deputy-Collector on General Duties, to the Officiating Collector of the Kisina District, dated Vinukondah, 20th April 1871, No. 63.

I HAVE the honour to bring to your notice that one Pinnali Ramaiya of Pinnali in the Palnad Talook seeks permission for the transfer, of Seri Demarcation No. 238, of 2 A. 16 C. to Porumboke, stating that the same has already been under the water-spread of a charitable tank which his ancestors had formed in the village several years ago in Porumboke, Demarcation No. 239, of A. 10 C. 76. The Tahsildar reports to me that the tank in question is very useful to the travellers and cattle, there being two donkas or public-ways running by it on the northern and eastern sides, and proposes that the permission sought for by Ramaiya may therefore be granted, in order that the efficiency of the tank may be kept up. It appears that it is capable, in its present state, to contain a full supply of water throughout the year.

2. Though the tank is entered in the accounts as situated in only Porumboke No. 239, it is, in reality, in two numbers, as appears from the correspondence on the subject. I therefore beg you will be good enough to obtain sanction also for the transfer of the other number to tank Porumboke, as it is Government waste, paying no revenue to the State.

No. 1,316.

SUBMITTED to the Board of Revenue for sanction.

REPALLI,
