No. 207. Read the following Proceedings of the Board of Revenue, dated 1st June 1871, No. 2,227 :—

Read the following letter from the Acting Sub-Collector, to the Collector of Cuddapah, dated Madanapally, 3rd May 1871, No. 202.

ONE Papa of the village of Arivaid, in the Royachoti Talook, died intestate and without heirs on the 18th April 1871, leaving a ruined hut of the value of eight Annas. As this property becomes an escheat under Regulation VII. of 1817, I have the honour to request that the necessary orders of Government may be obtained for its sale.

2. As the Tahsildar reports that, if the sale is delayed, the building will become entirely valueless, I have, in anticipation of sanction, directed him to sell it at once.

No. 86.

SUBMITTED to the Board of Revenue for the usual sanction.

MADANAPALLY,  
4th May 1871.

(Signed) C. G. MASTER,  
Collector.

SUBMITTED for the sanction of Government.

No. 208. ORDER THEREON, 16th June 1871, No. 1,071.

Miscellaneous.

By clause seventh, Section XVI., Regulation III. of 1802, Judges of the Zillah Courts are instructed how to

proceed in cases of persons dying intestate, leaving *personal* property to which there may be no claimant. After advertisement duly made, should no claim be preferred within the twelve months next ensuing, an inventory of the property, with a report of the circumstances of the case, is to be transmitted to the Governor in Council for his orders.

2. Should the estate consist of *real* as well as personal property, the disposal of the former, it was ruled by the (late) Court of Sudder Udalt, falls under

Section VI., Regulation VII. of 1817, whereby the general superintendence of escheats is vested in the Board of Revenue, whose duty it is, on report from the Collector, to submit the case to the Government, when "the property shall be sold "on the public account, or otherwise disposed of, as the Governor in Council "may determine."

3. Thus, by the strict letter of the law, there has come before Government the present reference, where the real estate consists of a ruined hut, which will fetch half a Rupee, if sold immediately; but proportionately less according to the delay that takes place. With laudable promptitude, the Acting Sub-Collector has directed the Tahsildar to sell it at once.

4. In future, to save unnecessary correspondence, delay and expense, the Governor in Council is pleased to determine that the Board of Revenue shall

receive a general authority to dispense of such references in all unquestionable cases of intestacy and absence of claimants, where the value of the property does not exceed fifty (50) Rs. ; an annual tabular statement being submitted of their operations under the order.

 from the Collr, to submit the case  
 to the Govt, when the property shall  
 be sold on the public account, or  
 otherwise disposed of, as the G. in C.  
 may determine.

I think an order  
 to the effect here  
 proposed was offered  
 last year. If not, I  
 think it should be  
 put, as it is a sketch  
 of the law I would  
 make the limit of  
 value 50 Rs. I O.S.

If the sale was illegal  
I think done at this distance  
of time it should be cancelled  
an account taken &  
ascertain the position of  
Govt. in regard to the property.

It must be remembered  
that the estate was attached  
for arrears of account in the  
first year after the Sepoy War.  
When no guardian had  
been appointed. I feared the minors  
interest - that it remained  
under attachment - to be a  
continually increasing arrear  
against it, until it was sold.

The gross amt. in 45 was 3925-

It must have been the arrears
