Proceedings of the Madras Government, Revenue Department,
17th June 1871.

No. 230. Read the following Proceedings of the Board of Revenue, dated 2nd June 1871, No. 2,235 :—

Read the following letters :—

From the Deputy-Collector on general duties, to the Officiating Collector of the Kistna District, dated Vinukonda, 20th September 1870, No. 204.

ONE Navaluri Musalamma, a female ryot of Pulipad, applies for permission to form a charity kunta in a portion of the unassessed and unoccupied D. No. 314, situated in the uninhabited village of

* Palnad Talook. Aiyagaripalem, * lying close to the pathway leading to Pondugal. The extent of the field, namely, A. 24 C. 30, was not assessed, not being fit for cultivation. The Tahsildar states that out of it an area of about 4 acres and odd may probably be taken up by the said kunta. As it is a useful one for drinking purposes both to men and cattle, and as the applicant is in good circumstances to form it, I beg you will be good enough to sanction the application in question. On the completion of the kunta, the land actually taken up by it will be measured and reported to your Office for the necessary transfers being made in the accounts.

No. 4,345.

SUBMITTED to the Board of Revenue for sanction.

(Signed) J. A. C. BOSWELL,
Officiating Collector.
