*Proceedings of the Madras Government, Revenue Department,
20th June 1871.*

5. The total allotment of the year was Rs. 32,32,998, but the expenditure amounted to only Rs. 25,45,816, leaving Rs. 6,87,182 unutilized. This is owing to the following causes:—

(1). To the non-submission of estimates for several of the new works entered in the budget.

(2). To the submission of estimates late in the year, and to delay in obtaining the sanction of Government for some of them.

(3). To inability on the part of the Public Works and Revenue-officers to spend the full allotments of some of the works, either from difficulty in procuring labour at the working season, or from want of sufficient energy in pushing on with the works.

(4). To impediments to the progress of masonry works in river-beds, caused by heavy rains and continuous floods.

6. It is, however, observed that the total expenditure of the year was in excess of the previous years by Rs. 1,86,892.

7. The increase of expenditure over allotments occurred under two heads, Miscellaneous Public Improvements and Contingent Charges.

The excess under Miscellaneous Public Improvements, Repairs, namely, Rs. 14,805, was incurred by the Revenue Department in the districts of Cuddapah, Tinnevely, and Salem, without specific allotments. The Collectors concerned will explain this irregularity.

8. The large increase of Rs. 47,812 in Contingent charges is due partly to the refund of excess collections of Road-cess, partly to various unimportant causes, and chiefly to a transfer of Rs. 28,610 in the Godavery District to Imperial Funds, being the income from delta canals credited to the Road Fund of the district in former years.

9. The particulars of expenditure on account of Miscellaneous Public Improvements are as follow:—

	RS.
Construction and repair of tanks and wells for drinking purposes ...	17,092
Formation and maintenance of avenues ...	26,831
Construction and repair of chuttrums and halting sheds ...	12,907

11. It will be observed that Chingleput was the only district in which the expenditure exceeded the available assets, and the excess there was Rs. 13,834. It was chiefly owing to the fact that the receipts realized during the year were less than those anticipated and shown in the budget. The liability of the fund has been since adjusted.

12. As promised in paragraph 16 of their Report for 1868-69, the Board have improved Statement No. 3, which gives an account of all the work on new roads executed during the year. The Collectors of Vizagapatam, North Arcot, and Salem, have not shown the actual progress of the new works in their districts, but this information has been supplied by an estimate carefully framed in the Board's Office. In addition to these new works, 8,315 miles of old road were kept in repair as detailed in the following abstract:—

1868-69...	1,47,660
	44,373

The increase was generally owing to the enhanced rates of seigniorage on wood-fuel collected under the authority conveyed in the Government Order, Revenue Department, dated 19th July

1869, No. 2,093; to the Striharicotah jungle rents in Nellore, which included both the annual rental collection of the year and the sale-proceeds of fuel cut in 1868-69 and this year while under the direct management of Government; and to the sale of trees blown down in the Tinnevely District during the storm of November 1869.

16. In the districts of Bellary, Madura, Tinnevely, and the Nilgiris, the expenditure exceeded the allotment of the year, though it was considerably within the available assets.

17. The total expenditure of Rs. 1,38,102 may be classified under the following heads:—

Items.	CHARGES.		
	By Public Works Department.	By Revenue Department.	Total.
	RS.	RS.	RS.
Formation of fresh plantations and topes ...	6,638	33,254	39,892

Total...	14,692	1,23,410	1,38,102

18. It will be observed that, as in previous years, large sums were left unspent, but the Board hope that the instructions issued by Government in their Order, dated 16th July 1870, No. 1,096, will facilitate advantageous expenditure.

III.—NANUL GRASS FUND.

19. This Fund exists in six districts. The balance in favour of the Fund at the beginning of the year was Rs. 16,678, which, with the receipts of the year,

*Proceedings of the Madras Government, Revenue Department,

Rs. 11,676, made a total of Rs. 28,354. The charges of the year aggregated Rs. 7,593, leaving a balance of Rs. 20,761.

20. The following abstract exhibits the transactions of the fund:—

21. With the exception of the Trichinopoly District, the expenditure appears to have been incurred chiefly on account of the establishment entertained for watching the plantations on the channel-banks. In Trichinopoly, however, a sum of Rs. 1,336 was laid out for planting Nanul in the Cauvery padugays and channel-banks.

22. With reference to paragraph 20 of the report from the Kistna District, the Board observe that the sum of Rs. 12,500 therein alluded to was transferred from this fund in 1870-71 to the credit of the Road Fund of the district, and this fact was notified to Government in paragraph 7 of their Proceedings, dated 6th February 1871, No. 562.

23. Great changes are about to be made in the administration of Local Funds, and the Board think that the management of the Nanul Grass Fund should, in future, be left to the Public Works Department.

IV.—POUNT FUND.

24. The balance on hand at the beginning of the year was Rs. 1,29,384 and the collections Rs. 2,07,265, making a total of Rs. 3,36,649. The expenditure amounted to Rs. 2,02,219, leaving a balance of Rs. 1,34,430.

Proceedings of the Madras Government, Revenue Department,
20th June 1871.

The particulars of the receipts of the fund are as follow:—

	RS.
Fees from travellers	13,911
Sale-proceeds of furniture	613
" " of bungalows	411
Grant-in-aid	9,490
Miscellaneous	1,484
	25,909

Amount transferred to Malabar from the following districts:—

Cuddapah	1,280
North Arcot	500
South Arcot	1,500
Vizagapatam	1,500
Coimbatore	374
Salem	2,500
	7,654

Amount transferred to Tinnevely from Vizagapatam ... 400
 „ to Coimbatore from Salem ... 750
 34,713

From this it appears that the receipts from bungalows were only Rs. 16,419, Rs. 9,490 was a Government grant-in-aid, which will not be allowed, but at all events from Imperial Funds for the future, and the remainder was nominal.

The Government grant-in-aid for the year shown above is Rs. 510 less than that authorized, namely, Rs. 10,000. This is because the Commissioner of the Nilgiris does not exhibit in his accounts the grant for his district, though it is provided for in both the Revenue and Local Fund Budgets.

30. The entire charges of the year may be classified as follows:—

	RS.
Establishment	10,481
Batta to pensioned Sepoys	3,571
Purchase and repair of furniture	1,694
Construction of bungalows	5,305
Repair of bungalows	3,818
Cost of Public Works supervision	551
Transfer of funds from one district to another	6,024
Miscellaneous charges	2,186
Advances	443
	34,013

31. In addition to this there was an expenditure, the exact amount of which the Board have been unable to ascertain, out of Rs. 11,130, the Public Works grant for bungalow repairs.

32. It thus appears that the necessary charges for merely maintaining the bungalows already in existence, exclusive of expenditure from the Public Works grant, was about Rs. 21,750, whilst the income was only Rs. 16,419.

33. In Tanjore the fund was in debt on the 31st March 1870 to the extent of Rs. 645, but this deficit has since been gradually extinguished.

VI.—ENDOWMENT FUND.

34. This fund is up of the income of chuttrums, lungerkhanahs and dispensaries.

*Proceedings of the Madras Government, Revenue Department,
20th June 1871.*

The amount of the surplus collections transferred to the credit of the District Road Fund during the year was Rs. 1,27,546. It will be observed that on the 31st March 1870 there were large unexpended balances of the fund in almost all the districts, but the greater portion of them has since been transferred to the District Road Fund.

26. It is obvious that the Pound system is administered on very different principles in the different districts, and the Board have called for, and are now receiving reports which will enable them to secure greater uniformity and probably a higher revenue.

27. Hitherto the surplus of the Pound Fund has been transferred, as a matter of course, to the Road Fund. Government have already directed* that these transfers shall cease, and it will probably be best to make the Surplus Pound Fund a special fund for agricultural objects, and especially for dealing with cattle and their improvement.

V.—PUBLIC BUNGALOW FUND.

28. The actual receipts of this fund, including the Government grant-in-aid, amounted to Rs. 34,713, which added to the balance at its credit raised the available assets to Rs. 58,709. The expenditure was Rs. 34,013, which left a balance of Rs. 24,696 at the close of the year.

Proceedings of the Madras Government, Revenue Department,

46. In the year under report the Collectors of the districts marginally noted have, for the first time, exhibited the transactions of the fund.

47. At the close of the year large sums were left unutilized in the districts of Kurnool, Trichinopoly and Malabar. As directed in paragraph 5 of the Government Order, Revenue Department, 29th June 1870, No. 964, a sum of Rs. 1,50,000

Proceedings of the Madras Government, Revenue Department,
20th June 1871.

out of the Trichinopoly surplus was invested in four per cent. Government Securities in August 1870.

48. In paragraph 20 of their Order, dated 30th August 1870, No. 1,351, Government inquired whether the whole or a large portion of the surplus funds of the Kurnool and Malabar Districts could not be invested as had been done in the case of Trichinopoly.

49. The Collector of Kurnool has since reported that it is undesirable for the present to invest the surplus balance, as he is about to propose an increase in the pay of the village-officers.

50. The Collector of Malabar, in reporting upon the increase of the pay of the amshom establishments of his district, proposed to invest a sum of Rs. 2,53,000 the accumulated surplus in Government Securities, and the matter has been brought to the notice of Government.

Madras Board's Proceedings, dated 24th February 1871, No. 844.

51. In the districts noted in the margin the expenditure exceeded the available assets. The excess was unavoidable, as payments had to be made monthly to the Village Establishments, though no kists were collected in some months. These over-payments, however, been made good in 1870-71.

39. In Salem the balance of Rs. 239-6-10 that stood at the beginning of the year in favour of the old ruined Topoor choultry has been transferred to the Road Fund of the district, the chuttrum having been made over to a private individual. But nothing has since been done by him towards the restoration of the building. From the orders G. O., Rev. Dept., 13th August 1870, No. 1,254. marginally noted, it will be observed that a new choultry is to be built in lieu of the old one, after a site has been fixed by the Collector.

40. With reference to paragraph 17 of the Government Order, Revenue Department, dated 30th August 1870, No. 1,351, the Collector of the Godavery District has been called upon to report upon the suggestion therein made regarding the utilization of the surplus funds, by constructing new chuttrums where much required, or repairing existing buildings.
