

*Proceedings of the Madras Government, Revenue Department,
23rd June 1871.*

No. 282. Read the following endorsement of the Secretary to Government,
Public Works Department, dated 13th June 1871:—

Read the following letter from the Acting Superintending Engineer, 1st Division,
to the Secretary to Government, Department Public Works, Madras,
dated Dowlaishweram, 5th June 1871, No. 726.

ADVERTING to G. O., No. 157, dated 27th March 1871, I have the honour to
forward herewith an estimate, amount-
ing in the aggregate to Rs. 17,600, for
putting in thorough repair the road from

2 Estimates.

Vizianagram to Chittivalsa, and to request that early sanction of Government may
be accorded to the estimate, so that this important line of communication may be
brought into good working order.

2. The road is in bad order at present, and this estimate will do no more
than fit it for ordinary traffic; but when this becomes so heavy, as it appears likely
soon to be on this road, broken stone metalling is required to be put on, and, if an
annual allowance of Rs. 250 per mile was made, I think the road could be made
a first-class one in two or three years, when this maintenance grant could be again
reduced.

3. I am about to return to that part of the division soon, and will make
another careful inspection of this work.

TRANSFERRED to the Revenue Department, with reference to the orders in that
department, dated 21st March 1871, No. 512.

(Signed) J. CARPENDALE, Colonel, R.E.,
Secretary to Government, P.W.D.

THE estimate does not bear the

consideration of the Local Fund Board the propriety for providing funds for this
work in the current year.

2. Paragraph 2 of the Superintending Engineer's letter should also be
brought under the consideration of the Local Fund Board.
