

*Proceedings of the Madras Government, Revenue Department,*  
26th June 1871.

No. 288. Read the following Proceedings of the Board of Revenue, dated 12th June 1871 :—

Read the following letter from the Collector of North Arcot, to the Acting Secretary to the Board of Revenue, dated Palamnair, 5th June 1871, No. 308.

I HAVE the honour to forward, herewith, Title-deeds, Nos. 6 to 11, in duplicate, to be given to the individuals noted in the margin for the lands at Arconum, the assessment of which has been redeemed by them under the free-hold rules, and to request that the Board will be pleased to obtain the Seal of Government to these Title-deeds, and return them to me for delivery to the parties concerned.

ORDERED that the six Title-deeds and Plans, in duplicate, received with the above letter, be submitted for the Seal of Government, in accordance with Rule VII. of the "Subsidiary instructions relating to the sale of unassessed waste lands in the Madras Presidency," annexed to the Board's Standing Circular, No. LII., dated 1st May 1863.

2. In the Deeds numbered 6, 8, 9, 10, and 11, the names and residences of the witnesses should be given in English as well as in the Vernacular.

3. The signature of the purchaser at the end of Deed No. 7 differs from his name as entered elsewhere in the Deed.

No. 289. ORDER THEREON, 26th June 1871, No. 1,109.

Land Revenue.

ORDERED that the six Deeds received with these Proceedings be sealed and returned.

2. In these Deeds, the boundary is given in some instances as a street and in others as a road. In all such cases the designation of the street and road should be mentioned both in the schedule and plan.

3. In the heading of the plan attached to Deed No. 8, the purchaser's residence is given as *Arconum* instead of *Uriyur*.

4. In one copy of the plan attached to Deed No. 11, the name *Varatha*, which occurs in the description of the southern boundary, is incorrectly spelt *Vatha*.

5. The Collector will have the necessary alterations made with reference to the foregoing remarks, his initials being attached to the alterations in each instance.

6. It is presumed that the localities entered in these Deeds in the clause beginning with the words "signed, sealed," etc., represent those in which the execution of the documents by the purchasers in the presence of witnesses actually took place.

(True Extract.)

(Signed) D. F. CARMICHAEL,  
*Acting Secretary to Government.*

There is a fault on this point. The entry as made in the Deeds in the clause here referred to, appears to be the purchaser's place of residence, which possibly may be the place at which the execution of the documents took place.
