

*Proceedings of the Madras Government, Revenue Department,
27th June 1871.*

No. 298. Read the following Proceedings of the Board of Revenue, dated 10th June 1871 :—

Read the following letter from the Commissioner of the Nilgiris, to the Acting Secretary to the Board of Revenue, dated Ootacamund, 5th June 1871, No. 63.

I BEG to address the Board once more on the subject of the unpassed Vernacular Clerks in my office, whose conditional entertainment for another year was sanctioned in Government Order No. 1,279, of 17th August 1870. Both these men have failed to pass the Civil Service Test of February last, and it now becomes necessary to make some arrangements for their disposal. With regard to the first Vernacular Clerk, Vencatramaniah, I beg to state that I have directed him to revert to the post of second Revenue Inspector, which he held without objection before the Commission was formed. This transfer will entail a loss to him of 5 Rs. per month.

2. With reference to the third Clerk, Venkatagherry, now acting as Demarcation Clerk, and doing duty with the Survey Department in the demarcation of Balaga puttah lands, I beg to observe that to dispense with his services will cause much inconvenience and retard the work of the Survey Department, I venture, therefore, to solicit the sanction of the Board to this Clerk's continued employment on condition for two years longer, at the same time reducing his pay by 10 Rs. per month as an incentive to exertion.

3. I request early orders on these proposals to enable me to meet any retrenchment from the Accountant-General.

THE Board resolve to request Government to sanction the retention of Venkatagherry for another year, so that he may have another opportunity of trying to pass the General Test Examination.

2. Under the circumstances of the case, and especially considering that the character of the man is such that the interests of the public service require that he should be kept in his appointment, it is impossible to reduce his pay.

No. 299. ORDER THEREON, 27th June 1871, No. 1,114.

Miscellaneous.

THE Board's proposals are sanctioned.

The estimate submitted
with this letter is for a road
hitherto classed as Imperial
and which should as such
have been disposed of at
the P. W. Department of the
Secretariat. It is apparently
transferred to this Department
with reference to the change
recently introduced.
The estimates for
Local Roads were hitherto
received in the Revenue
Department through the
Board

When the new rules
are passed - no

All that work

estimate is to

for Imperial Roads in the
P. W. Dept. through the
Supp. Engineers. This classi-
fication has just been
disputed with and some
definite orders are required
as to the course to be
followed in future.

for amounts from Rs 1000
to 5000 by the Board of Revenue
but estimates above Rs 5000
must be submitted to Govt.
The rule apparently refers
to all communications but
it is silent as to whether
the estimates are to be
submitted to Govt. through
the Board of Revenue or
through the Supp. Engineer,
as also to the Department
of the Secretariat in which
they should be received
and considered. Estimates
for large bridges and im-
portant roads require
professional

which there is no provision

in the Res. Department.
