*Proceedings of the Madras Government, Revenue Department,
17th January 1871.*

No. 234. Read the following Proceedings of the Board of Revenue, dated 10th January 1871 :—

Read the following letter from the Collector of Kurnool, to the Secretary to the Board of Revenue, Madras, dated 17th September 1870, No. 420.

I have the honour to inform you that, without any previous intimation whatever to me, the line of post has been changed from Ghooty to Kurnool to Asperi to Kurnool. This has upset all the existing arrangements of the Mulki post throughout the Ramalkota and Pattikonda Taluqs, which depended entirely on the imperial line between this and Ghooty.

2. There is now no post from this to Ramalkota or Pyapally, the head-quarters of Deputy-Collector Timmappa, and Pattikonda; and as the imperial post line has been abruptly changed, it is necessary to make arrangements for carrying the Mulki post from this to those stations.

On road between Asperi and Kurnool.

3. Pattikonda is only about ten miles from Varimukala. It will be well to connect those two stations.

I would therefore commence at Varimukalla, and have a post line from it to Pattikonda.

Pattikonda and Pyapally are connected by three runners, but as in future the bags will be heavier, because they will have to carry the whole of the correspondence to the Deputy-Collector's office instead of only that from and to Pattikonda and Pyapally, it will be necessary to strengthen that line by the addition of at least one runner.

Kurnool and Ramalkota, distant from each other about twenty miles, must be connected by four runners for all the correspondence from and to each of those stations.

4. I enclose a statement showing the change, in a financial point of view, which these alterations will involve, and have the honour to request the Board to obtain the early sanction of Government for the change I recommend.

5. When the postal line from Cuddapah was suddenly changed, and the correspondence of the district was thrown into great confusion, I objected, and the Board brought the subject to the notice of the Postmaster-General. I certainly had reason to expect that, when any change would in future be made, due intimation would have been furnished to me, but that is not the case, and the greatest confusion and inconvenience has been created.

SUBMITTED for the sanction of Government,

2. By a recent alteration of the imperial line of post, namely, the abandonment of the line from Ghooty to Kurnool, in favour of one from Asperi to Kurnool,

*Proceedings of the Madras Government, Revenue Department,
17th January 1871.*

a re-arrangement of the District Post, involving an additional expenditure of Rs. 360 per annum, as detailed below, has become necessary:—

From Kurnool to Ramalkota, four runners, at Rs. 5	rs.
per mensem each	20
From Pyapally to Pattikonda, one extra runner ...	5
From Varimukulla to Pattikonda, two runners, at	
Rs. 5 each	10
Runners 7 ...	35
Deduct one runner from Eldurti to Ramalkota now	
dispensed with	5
Runners 6 ...	30 per mensem.

3. The increased charge can be adjusted from general savings under "26, Miscellaneous," at the close of the year.

4. The Postmaster-General is requested to explain why timely notice of the intended change was not given to the Collector, as desired in Board's Proceedings, dated 30th September 1867, No. 6,242, paragraph 5.

No. 235. ORDER THEREON, 17th January 1871, No. 113.
