

*Proceedings of the Madras Government, Revenue Department,  
4th July 1871.*

No. 38. Read the following letter from the Secretary to the Government of India, Financial Department, to the Chief Secretary to the Government of Madras, dated Simla, 19th June 1871, No. 1,426 :—

REFERRING to Mr. W. G. Pedder's evidence before the Select Committee of the House of Commons on East India Finance and to Article 41 of the Indian Import-tariff, I am directed by the Governor-General in Council to request that the Government of Madras will be good enough to report its opinion whether the exemption of salted fish from Import-duty has an injurious effect upon the industry of the fishermen among our own subjects. If the Government of Madras is of opinion that an Import-duty should be imposed upon the article, I am to ask that the rate may be stated, which, with reference to the duty levied on salt, would be sufficient to protect our own fishermen from unfair competition by foreigners.
