Proceedings of the Madras Government, Revenue Department, 6th July 1871.

No. 62. Read the following Proceedings of the Board of Revenue, dated 16th June 1871, No. 2,445 :—

Read the following papers :—

From the Collector of Cuddapah, to the Acting Secretary to the Board of Revenue, dated 16th March 1871.

ABSTRACT.—Statement showing the amount of arrears due to a Yeomiah pensioner in the district of Cuddapah.

From the same officer, dated Ghatta, 15th May 1871, No. 98.

WITH reference to Board's official memorandum No. 612 of the 8th instant, I have the honour to state that the individual referred to, Syed Shamier, absented himself without leave. He asserted that he had obtained two years' leave of absence from the late Acting Sub-Collector, but there is nothing on record to confirm this statement. Mr. Storr states in his letter of the 8th July 1870, No. 213, that, even if this statement were true, it would not warrant his absenting himself for seven years.

2. No descriptive rolls of servants or worshippers in charge of the Religious Institutions have ever been kept in this district. The Sub-Collector has examined the man himself, and ascertained his identity.

SUBMITTED for the orders of Government.

Syed Shamier, the registered holder of a Religious Service grant of Rs. 44-14-4, absented himself without leave for nearly eight years, during which period payment was suspended. His explanation regarding his absence is not satisfactory. As it is reported that the service has been kept up during his absence by his servants, and as he has been identified, the Board support the Collector's recommendation in regard to the renewal of the grant and the payment of the arrears.

3. The Collector is requested to explain why descriptive rolls of the holders of Religious Service grants have not been kept as required by Standing Circular No. 182. The omission should be supplied without delay.

No. 63. ORDER THEREON, 6th July 1871, No. 1,169.

Miscellaneous.

UNLESS such matters are to remain altogether unchecked, it seems necessary to notice this man's conduct.

2. He says (not proved) that he got two years' leave from a former Sub-Collector, and he stays away eight years without offering any excuse.

3. As to the service being kept up by his servants, of course they will swear anything.

4. The unauthorized absence has been so long that Government resolve to declare the grant lapsed. If the service has been kept up for eight years without it, the grant is clearly unnecessary.
