No. 80. Read also the following letter from the Officiating Accountant-General, to the Acting Secretary to Government, Revenue Department, dated Fort Saint George, 23rd June 1871, No. 119 :—

With reference to G. O. No. 1,024, dated 9th instant, I have the honour to state that Mr. Cherry has sent in but one Pay-bill as 2nd-class Assistant Conservator of Forests, namely, for December 1870, but this department passed that bill to the extent of the pay and allowances of a 3rd-class Assistant only, and retrenched the difference which has been recovered. It has already been pointed out to Government in letter from this Office No. 313, dated 27th January last, that it does not seem proper to allow Mr. Cherry pay and allowances as 2nd-class Assistant without the sanction of the Government of India, which sanction would seem to have been withheld. I therefore beg to be informed whether I am to understand the G. O. above referred to as authorizing payments pending further orders from Calcutta.

No. 81. Order thereon, 8th July 1871, No. 1,177.

Forests, No. 3.

The Accountant-General reports that the pay and allowances of a 2nd-class Assistant Conservator have not at any time been drawn by Mr. Cherry, owing to the objections stated by the Account Department at the time* of his promotion to that grade by this Government.

* G. O., 10th January 1871, No. 65.

2. As the Government of India has declined to sanction the promotion on the ground that there is no provision for it in the sanctioned scale of the Madras Forest Department, and as Mr. Cherry's duties, services, and acquirements, demand increased remuneration, the Governor in Council resolves to gazette him as Acting Deputy-Conservator, 2nd Class (in which grade several permanent incumbents are on leave without substitutes having in each case been appointed); the same to take effect from the 10th January last, and to continue pending the re-organization of the department.
