Proceedings of the Madras Government, Revenue Department,
10th July 1871.

No. 94. Read the following Proceedings of the Board of Revenue, dated 26th June 1871, No. 2,567:—

Read the following letter from F. C. CARR, Esq., Acting Collector of Ganjam, to the Acting Secretary to the Board of Revenue, dated Chetterpore, 31st May 1871, No. 601.

I HAVE the honour to acknowledge the Proceedings* of the Madras Government, dated the 1st May 1871, stating that my procedure was wrong in forwarding to Government a petition which asked for a copy of a Government Order for their sanction. I beg to suggest therefore that the Rule No. V., forwarded with the Board's Standing Order of the 16th, 1864, (page 325 Mr. Dalyell's compilation,) should be altered, as it was that which misled me. It states "should the document in question be "a communication from the Board or from Government, the Collector or Magis- "trate shall, in the first instance, obtain permission to comply with the application."

* Communicated to me by the Board of Revenue, Miscellaneous No. 1,559 of the 15th instant.

SUBMITTED to Government with reference to their order quoted by the Collector.

2. The Board see no reason for altering the wording of their Standing Order referred to by the Collector.

3. ... they understand it Government merely informed the Collector that the *manner* in which permission to comply with the petitioner's request was submitted was not correct; that is, that it is not becoming that a petition should be forwarded to Government for disposal by a line of endorsement on the petition.

4. Government may, however, have intended that the rule referred to should be altered as suggested by Mr. Carr.

No. 95. ORDER THEREON, 10th July 1871, No. 1,184.

Miscellaneous.

THE Rule had better be altered in accordance with the terms set forth in the G. O. referred to.
