

*Proceedings of the Madras Government, Revenue Department,  
10th July 1871.*

No. 98. Read the following Proceedings of the Board of Revenue, dated 26th June 1871, No. 2,569 :—

Read the following letter from the Collector of Malabar, to the Acting Secretary to the Board of Revenue, dated Calicut, 26th May 1871, No. 125.

I HAVE the honour to submit, for the sanction of Government, survey, plan, and estimate, amounting to Rs. 9,000, for the extension of district road No. 48B. from Tiruvegapuram to where it meets the road from Angadipuram to Puttamby Railway Station (District Road List No. 46B). A sum of Rs. 3,264 was sanctioned in Board's Proceedings, dated 5th November 1870, No. 6,516, for repairing the first section of the line under notice.

2. The extension of this line is very desirable, as it joins the railway feeder to which the great western road from Madras to Calicut and many other important and cartable district lines join.

3. Funds will be provided in due course, and the work will be executed by the Department of Public Works.

ENCLOSURE No. 1.—Survey.

ENCLOSURE No. 2.—Plan.

2. The estimate provides for the execution of the following works :—

| Total                           | 9,000 |

4. The work does not appear in the current year's budget, but the Collector promises to provide the funds required in due course.
