Proceedings of the Madras Government, Revenue Department,
11th July 1871.

No. 107. Read the following endorsement of the Officiating Secretary to Government, Military Department, dated Fort Saint George, 5th July 1871:—

Read the following letter from the Brigadier-General, Commanding Nagpore Force, Kamptee, to the Quartermaster-General, Fort Saint George, dated Kamptee, 21st June 1871, No. 144.

With reference to your memorandum No. 3,137 of the 8th May 1871, and previous memoranda,* bearing numbers and dates as per margin, communicating the several orders of the Madras Government regarding the Census of the Madras Presidency and the manner in which it is to be taken in Military Cantonments, I have the honour to request you will inform me whether the Military stations in this Force,† being, as they are all, situated in the Central Provinces, the administration of which is carried on under the orders of the Government of India, and is in no way connected with the Madras Presidency, are to be considered in the Madras Presidency for the purposes of the Census.

* No. 133 of January 1871, forwarding Extract from Proceedings of Madras Government, No. 99, dated 6th December 1870.
No. 2,517 of 5th April 1871, forwarding Proceedings of Madras Government, No. 114 of 22nd March 1871.
No. 2,730 of 20th April 1871, forwarding Proceedings of Madras Government, No. 109 of 8th April 1871.

† Kamptee, Nagpore, Hoshingabad, Raepur Chandah, and Sirancha.

2. If they are to be so, considerable difficulty is likely to arise in connection with the taking of the Census, seeing that no Census of the general population of the Provinces is contemplated; and the establishment required would be employed solely in the Military Cantonments, thereby rendering the operation most expensive.

3. In Hoshingabad, Raepur, and Chandah, there are no bazaars within the limits of the Cantonment, but at this station there are two large bazaars containing 45,000 inhabitants; to take the Census in these would be a matter of much difficulty and expense.

4. Finally, I would suggest that if the Census of the Military Cantonments be required, the Chief Commissioner of the Provinces be addressed by the Madras Government, in order that the aid of the Deputy-Commissioner of Districts in which the stations are situated be secured to Commanding Officers; and so far as this station is concerned that the services of the Cantonment Magistrate be placed at my disposal for the purpose of directing the operations in the bazaar, etc.
