

*Proceedings of the Madras Government, Revenue Department,
12th July 1871.*

No. 135. Read the following letter from the Officiating Accountant-General, Madras, to the Acting Secretary to Government, Revenue Department, dated Fort Saint George, 4th July 1871, No. 136 :—

I HAVE the honour to request that the G. O., 29th June 1871, No. 1,129, Revenue Department, passed in the case of Mr. Farmer, may be laid before the Government of India for confirmation, the decision therein come to being, in my opinion, opposed to the orders of that Government, referred to in my report of the 13th June 1871, No. 103.

No. 136. ORDER THEREON, 12th July 1871, No. 1,204.

Miscellaneous.

THE Government see no occasion to refer the matter.

2. Mr. Farmer, Assistant Collector at Bellary, had obtained permission to present himself before the Madras Committee to undergo an examination in the Sanskrit language. He was therefore entitled to his travelling allowances from Bellary to Madras and back again. While at Madras he was posted to the Chingleput District as Assistant, but before joining it was of course necessary for him to return to Bellary. He was not absent from Bellary on any kind of ordinary leave, but *quasi* on duty. The Government encourage Junior Civilians to study Sanskrit, and choose to examine their acquirements at the Presidency in lieu of sending the Committee on circuit. Mr. Farmer did not come to the Presidency of his own accord, but because he was told to appear there as the more convenient course to Government. He must therefore be treated as if he had been at Bellary (on his return from examination) when the order of transfer reached him.

Acting Secretary to Government.
