No. 218. Read the following Proceedings of the Board of Revenue, dated 9th January 1871:—

Acting Collector of North Arcot, to the Acting Revenue, dated Chittoor, 18th November 1870, No. 911.

I HAVE the honour to forward the supplemental estimate for work to be done on the road from Yerpet to the Nellore frontier, called for in the Imperial Budget, *vide* No. 172, where a sum of Rs. 3,500 is provided from District Road Funds for expenditure on the road in the current official year, and to request that the Board will be pleased to submit it for the sanction of Government.

2. The supplemental estimate, as set down in the Budget, amounts to Rs. 4,680, but it has, the Superintending Engineer informs me, been revised to suit present circumstances and rates, and the cost has thus been raised to Rs. 5,068.

3. The expenditure from all sources upon this road up to the 31st March 1870, amounts, as recorded in the Budget, to Rs. 20,806.

4. The work provided for in the supplemental estimate consists entirely of new drains and tunnels and a bridge. None of these are to be across irrigation channels, so that no contribution from Imperial Funds can be claimed in this case.

THE supplemental estimate, amounting to Rs. 5,068, received with the foregoing letter, for work to be done on the road from Yerpet to the Nellore frontier (length 19 miles) is submitted for the sanction of Government.

2. The original estimate, amounting to Rs. 21,400, was sanctioned in the Government Order, Public Works Department, dated 12th February 1866, No. 518.

3. The work appears as Item No. 72 in the current year's Road Fund Budget, with an allotment of Rs. 3,500, and was fully reported on by Mr. Gibson along with the famine works executed in the North Arcot District.

Vide paragraph 11 of Mr. Gibson's report recorded in the G. O., Revenue Department, dated 19th July 1869, No. 2,098.

4. It is observed from paragraph 4 of the Acting Collector's letter that no portion of the present estimate is claimable from Imperial Funds.
