REVENUE DEPARTMENT,
FORT SAINT GEORGE,
15th July 1871.

No. 1,228.

No. 182.

To

THE CHIEF COMMISSIONER OF MYSORE,

Miscellaneous.

Dated 29th June 1871.

SIR,—Adverting to your Officiating Secretary's letter dated 10th June 1871, No. 1,247-9, I am directed to forward the marginally noted letter

from Mr. Broughton. It seems that no amorphous quinine will be available until the commencement of 1873-74. The Quinologist will be requested to supply not less than 25 lbs. in that and every subsequent year to the Mysore Government at the price mentioned by him, and he will also be instructed, if possible, to increase the amount manufactured, with a view to including the farther demand of the province; but as the question is purely one of economy, the Government would not feel justified in promising a supply of more than 25 lbs., unless the aggregate quantity of the drug manufactured be found to exceed the requirements of this Presidency.

I have the honour to be,

Sir,

Your most obedient servant,

(Signed) D. F. CARMICHAEL,
Acting Secretary to Government.

Exd. F. R. Bantleman.
