

Proceedings of the Madras Government, Revenue Department,

17th July 1871.

No. 202. Read the following Proceedings of the Board of Revenue, dated 4th July 1871, No. 2,690 :—

Read the following letter from the Acting Collector and Agent to the Governor of Fort Saint George at Vizagapatam, to the Acting Secretary to the Board of Revenue, dated Rajeveram, 9th June 1871, No. 556.

REFERRING to the Board's Proceedings dated 15th May 1871, No. 2,023, I have the honour to observe that an Assistant Apothecary is allowed for this Collectorate and Agency, whereas in Government Order dated 16th March 1869, No. 323, an Apothecary was sanctioned for this district in like manner with Bellary and Salem.

2. In the Proceedings under reference Bellary and Salem are both allowed their Apothecaries, while Vizagapatam is put down for an Assistant Apothecary only. I presume that this is an oversight, and request the Board will have it rectified.

3. If, however, there has been no oversight, I beg the Board will be so good as to move the Government to allow the arrangements sanctioned by them in Government Order dated 25th March 1865, No. 321, to remain in force during the incumbency of Mr. Apothecary Lears, who is now the Collectorate Apothecary.

4. This is probably the largest district in the Presidency. The yearly visits to Jeypore and the Agency tracts render it expedient that the medical officer attached to this office should be acclimatized, and should be accustomed to treat

the Agency. Mr. Lears is regularly qualified in both

SUBMITTED for the orders of Government.
