

*Proceedings of the Madras Government, Revenue Department,
18th July 1871.*

No. 211. Read the following Proceedings of the Board of Revenue, dated 6th July 1871, No. 2,769 :—

Read the following letter from the Officiating Collector of Tanjore, to the Acting Secretary to the Board of Revenue, dated Negapatam, 14th June 1871, No. 181.

I HAVE the honour to reply to Extract from the Board's Proceedings, under date the 2nd May, forwarding to me the Order of Government, dated the 22nd April, and directing me to report on the state of the chuttrum near the Railway Station at Tanjore.

2. In reply, I beg to state that it was finally decided by the Municipal Commissioners that the bandies of persons travelling to and from the Railway Station only should be allowed to make use of the chuttrum square, and the owner of the chuttrum (the present Tahsildar of Negapatam) was required to provide fit and suitable attendance for keeping the premises clean. This has since been fully carried out, and the chuttrum is daily visited by the Municipal Inspector.

3. I would only further observe regarding this chuttrum that it was specially constructed for the use of persons travelling by the rail, as the Board are aware the accommodation provided for native travellers at Railway Stations is literally *nil*, and the construction of this chuttrum has been a great public boon. I have also seen that in other Presidencies the attention of Government has been drawn to the necessity of constructing such buildings in the vicinity of all Railway Stations. As these buildings are only kept clean and in good order, there can be no doubt that they must be as conducive to the public health as certainly they are a comfort and convenience to the native public.

SUBMITTED to Government with reference to Government Order dated 26th April 1871, No. 109.
