

*Proceedings of the Madras Government, Revenue Department,
19th July 1871.*

No. 252. From the Acting Secretary to the Board of Revenue, to the Acting Secretary to Government, Revenue Department, Fort Saint George, dated Madras, 18th July 1871:—

With reference to the letter of the Government of India, Financial Department, dated 16th June 1871, No. 1,251,

* I.—General Districtwar Statement of Collections under the several Acts.

II.—A classified Statement of collections from private individuals and Companies under License Act No. XXI. of 1867.

III.—A classified Statement of collections from private individuals, Companies, and servants of Companies, under Act IX. of 1868.

IV.—A classified Statement of collections from private individuals, Companies, and servants of Companies, under Act IX. and XXIII. of 1869.

communicated in Government Order dated 23rd June 1871, No. 126, I am directed to submit the accompanying statements* containing all the available statistics regarding the collections under the old Income-tax Act of 1860 to 1865, License Act of 1867, Certificate Act of 1868, and the Income-tax Acts Nos. IX. and XXIII. of 1869.

2. Statistics regarding the Income-tax Act No. XVI. of 1870 have not yet been completely received from the districts, and no information regarding the operations under that Act is submitted.

3. The collections under the several Acts now given are, according to the orders of the Government of India, exclusive of stoppages from the salaries of Government servants.

4. It must also be noted that the tax levied on interest on Government Securities is included in the collections under Acts IX. and XXIII. of 1869, while the same is excluded from the collections under the Income-tax of 1860—1865. In the latter case the tax so collected is not separately shown in the Collector's Returns from the stoppages from salaries of Government servants, and it has therefore not been practicable while deducting the latter to retain the former.

5. No classified statement of the collections under the old Income-tax is submitted, as such information was never received in the Board's Office. With regard to the collections under the other Acts also it has not been possible to adopt the exact classified form indicated by the Government of India in their telegram dated 6th July, communicated in Government Order dated July 1871, No. 33. Such classification as the materials on hand admitted of has been adopted.

6. Particulars regarding the rates of tax, etc., are given in the remark-columns of the several statements.

Secretary to Government.
