*Proceedings of the Madras Government, Revenue Department,
19th January 1871.*

No. 261. Read the following Proceedings of the Board of Revenue, dated 21st December 1870, No. 7,249 :—

Read the following letter from the Collector of Malabar, to the Acting Secretary to the Board of Revenue, dated Calicut, 5th November 1870, No. 381.

I HAVE the honour to inform you that in conformity with Government Order, dated 16th August last, No. 1,271, the Tahsildar of Kottayam has been removed from Kadirur to Tellicherry.

2. It has been considered probable that on this move being effected, it would be possible to re-arrange the magisterial charges in such a way that the Tellicherry Sub-Magistrate might be dispensed with.

3. I am of opinion that this may now be done in the following manner :—
The taluq consists of twenty-eight amshoms, of which seventeen have hitherto been attached to the Tahsildar, five to the Tellicherry Sub-Magistrate, and six to the Sub-Magistrate of Chavasherry.

Tellicherry is a second-class Sub-Magistracy on Rs. 70, and Chavasherry a third-class on Rs. 50.

4. I propose to enlarge the charge of the Chavasherry Sub-Magistrate, promote the grade to second-class, give him as such an additional Gumasta, and station him at Kuthaparamba, giving him in future that designation, and assigning to him the amshoms noted in the margin.

5. This will form a compact charge, and the office lately vacated by the Munsiff will afford accommodation.

The financial result of the change as now proposed will be a saving of Rs. 89.

6. The Deputy-Collector of Wynaad has brought to my notice the urgent necessity that exists of providing the Sub-Magistrates of Vythery and Gudulur with an extra Gumasta. Considering that the charge of each of those officers is extensive, that they are Deputy-Tah-

sildars as well as Sub-Magistrates, the establishment now given them must be admitted to be small and insufficient for the requirements of their offices. The unhealthy character of the country adds much to the inconvenience felt, as the solitary Gumasta is frequently incapacitated from work by fever or other sickness.

19th January 1871.

7. In the scale of establishment sanctioned in Government Order, dated 12th September 1865, No. 2,184, at the recommendation of Mr. Pelly, it was provided that all Sub-Magistrates of the first and second grade should have two Gumastas, and although the Sub-Magistrates at Vythery and Gudalur, who draw Rs. 125, are virtually in this position, they have been allowed only a single Gumasta; the recent Order of the Board, dated 7th May 1870, No. 3,063, directing Sub-Magistrates of Malabar to perform Revenue functions in the capacity of Deputy-Tahsildars render the services of an extra Gumasta more than ever necessary. I have therefore the honour to request that I may be permitted to employ an extra Gumasta in each of the offices referred to on Rs. 20 each. The climate is so unpopular that it is found almost impossible to get hands even at Rs. 20 each. The establishment charges will thereby be increased by 40 Rs. monthly, leaving a net saving of Rs. 49.
