

*Proceedings of the Madras Government, Revenue Department,
21st July 1871.*

No. 280. Read the following Proceedings of the Board of Revenue, dated 5th July 1871, No. 2,739 :—

Read the following letter from the Collector of North Arcot, to the Acting Secretary to the Board of Revenue, dated Palmanair, 10th June 1871, No. 319.

I HAVE the honour to forward four plans, two specifications, and two estimates, amounting to Rs. 13,300, for constructing a new line of road from Ramakistnarajapet on the road from Sholinghur to Tritany to Pullipet on the road from Chittoor to the Puthoor Railway Station, and to request that they may be submitted to Government for sanction.

2. The work is entered in the current year's Budget, Part II., under the head "Communication, New," with an allotment of Rs. 5,000 (*vide* Item No. 176).

3. It is very desirable, indeed, that this new line be formed as soon as possible, as it passes through the heart of the Karvetnugger Zemindary, and is the link, as already stated, between the road from Chittoor to the Puthoor Railway Station and the line running east by Tritany to the frontier of the Madras District.

4. With the roads from the Puthoor Railway Station to Nagaram, the Zemindar's head-quarters, and thence south to Pootalpat completed, and the extension now proposed made, the net-work of intercommunication in this Zemindary will be all that is required for years to come.

5. The work should take precedence of all new projects of the kind, as the Zemindar complained, with good reason, two years ago that his large contributions to the Local Fund had not secured commensurate advantages for his estate.

ENCLOSURES Nos. 1 to 4.—Plans.

ENCLOSURES Nos. 5 and 6.—Specifications.

ENCLOSURES Nos. 7 and 8.—Estimates.

2. The estimate is made up of the following items :—

	RS.
1. Earth-work	5,406
2. Tamping	850
3. Clearing jungle	1,295
4. Turfing	144
