

*Proceedings of the Madras Government, Revenue Department,
21st July 1871.*

No. 282. Read the following Proceedings of the Court of Wards, dated 7th July 1871, No. 2,790:—

Read again Board's Proceedings dated 10th February 1871, No. 636, and 1st May 1871, No. 1,813.

Read also the following letter from the Acting Collector of Ganjam, to the Acting Secretary to the Court of Wards, dated Chicacole, 10th May 1871, No. 514½.

In continuation of my letter of the 14th March last, No. 253, I have the honour to forward herewith a plan (sent per banghy) and details of the ordered bridge proposed to be constructed over the Vamsadhara at Heera Mandalam as well as the survey showing the site, together with a report and estimate received from Captain Beckley, R.E., Executive Engineer on Special Duty, and request the Court will be pleased to induce the Government to contribute a moiety and sanction the rest from the surplus funds of the estate for reasons given in the letter above quoted.

ENCLOSURES Nos. 1 to 4.—Plans.

ENCLOSURE No. 5.—Report of Captain Beckley, R.E.

ENCLOSURE No. 6.—Estimate.

ENCLOSURE No. 7.—Report of Executive Engineer, dated 4th April 1871.

WITH the third of the foregoing papers the Acting Collector submits the plans and estimate of a bridge proposed to be constructed at Heera Mandalam across the Vamsadhara river in the Parla Kimeddy Estate.

2. The estimate amounts to the large sum of Rs. 95,000, or, with certain specified additions, Rs. 1,10,000, and the work is reported to be calculated to benefit salt-traffic and to afford an outlet to the produce of the villages of the Kimeddy Estate situated on the other side of the river and of the northern portion of the territories of His Highness the Maharajah of Vizianagram.

3. The Maharajah of Vizianagram has declined to contribute any portion of the cost on the ground that the produce of that portion of his territories which is likely to be benefited is all locally consumed.

4. The Acting Collector now proposes that a moiety of the cost should be paid by Government, and that the remainder should be met from the funds of the Kimeddy Estate.

5. Parla Kimeddy already pays a large sum annually on account of the Road Cess, and it has almost completed its system of roads without assistance from the Road Fund of the district; but the bridge will benefit the estate (as well as Government) so much that the Court feel justified in bearing half its cost.

6. The estimate will accordingly be submitted for the sanction of Government, and if it is approved, the Acting Collector will lay the proposal to provide half the cost from the Road Fund before the Local Fund Board.
