*Proceedings of the Madras Government, Revenue Department,
19th January 1871.*

As the grant is not acknowledged to be *perpetual*, the Collector should not have registered the allowance in the names of the heirs of the late incumbent without authority.

2. In their Order, dated 29th January 1849, No. 102, paragraph 7, Government directed that on the occasion of lapses in this and certain other cases, "the circumstances of each case, together with such documents as may be forthcoming in support of the grants" should be submitted for their consideration and orders.

3. The Collector will be good enough to comply with this requisition. He should also state whether the discontinuance of the service would entail any inconvenience upon the Mahomedan community.

No. 264. Proceedings of the Board of Revenue, dated 5th January 1871, No. 40.

Read again Board's Proceedings, dated 15th September 1870, No. 5,742.

Read also the following letter from the Collector of Salem, to the Acting Secretary to the Board of Revenue, dated 8th December 1870, No. 266.

I HAVE the honour to reply to the Board's Proceedings under date the 15th September last, No. 5,742.

2. It is true that the Government Order, No. 102, of the 29th January 1849, requires each case to be reported for the orders of Government; but this order has

subsequent one, which is of the Board's Proceedings of the 6th September 1852, Government Order, No. 813, dated 20th August 1852. It is in accordance with this order that the late Collector appears to have acted in registering the allowance.

3. The only document in support of the grant is the Sanad referred to in column 3 of the Statement. A translation of this is enclosed.

4. In regard to paragraph 3 of the Board's Proceedings, it appears from the report of the Tahsildar of Tripatore that the discontinuance of the allowance will cause inconvenience to the Mahomedan community. He states that the Mahomedan community of Vengambady are very religious; that they offer up prayers in the mosque, and that one or two travellers who halt every day at the mosque are fed there.
