

*Proceedings of the Madras Government, Revenue Department,
22nd July 1871.*

No. 303. Read the following letter from the Secretary to the Government of India, Department of Agriculture, Revenue, and Commerce, (Forests,) to the Secretary to the Government of Fort Saint George, dated Simla, 12th July 1871, No. 43 :—

THE Local Accountant-General has furnished the Government of India with the enclosed statement of the actual receipts and expenditure of the Forest Department in Madras for 1870-71. The several items entered therein have not, however, been classified according to the sub-heads of the budget-estimate as directed in Public Works Department Circular No. 9-F., dated 28th June 1870, and it is not possible therefore to make a comparison between the estimates and the actuals. I am accordingly to request that, with the permission of His Excellency the Governor in Council, a properly classified statement for 1870-71 may be submitted at an early date.

2. I am also to request a full explanation of the fact that the actual receipts are Rs. 1,10,000 below the budget-estimate. The reason which the Conservator of Forests assigns for being unable at present to furnish this explanation, namely, that his Office is busily engaged in other work, does not appear to the Governor-General in Council to be at all satisfactory.

No. 304. ORDER THEREON, 22nd July 1871, No. 1,288.

Forests, No. 10.

FORWARDED to the Conservator who will submit the requisite information in full detail as early as possible.

(True Extract.)

Secretary to Government.

To the Conservator of Forests.
