Read the following :—

No. 266. Proceedings of the Board of Revenue, dated 4th August 1870,
No. 5,171.

Read the following letter from the Collector of Salem, to the Acting Secretary to
the Board of Revenue, dated 12th July 1870, No. 126.

WITH reference to the Board's Order of the 15th January 1869, communi-
cating the Order of Government, dated 9th idem, No. 62, in which the Gov-
ernment sanctioned the acceptance of the lease of the Periakulrayen Jaghire for
the revenue payment of Rs. 1,500, I have the honour to request the Board will be
pleased to let me know whether I should obtain every year sanction for the
payment of this sum, or whether I may pay the amount from the Beriz in the same
way as the Trishwokum and Daswandum shares, etc., entering the amount in like
manner in the Jamabandi and other accounts.

2. The rent (Rs. 1,500) is now due to the Jaghiredar for Fasli 1279, and
I request an early reply to this letter. By far the best and simplest way for yearly
payments would be, to follow the system now in practice for Trishwokum and
Daswandum village shares.

THE annual payment of Rs. 1,500 to the Jaghiredar is a charge upon the
Beriz of the Jaghire, and should therefore be deducted from each year's Jama-
bandi and paid to the Jaghiredar after the close of each Fasli. The surplus, if
why the rent and charges should not be provided for in the Forest Budget, as the
Jaghire was leased mainly for purposes of conservancy.

2. The receipts would of course in that case be similarly credited to
"Forests."

3. It should be stated how the receipts have hitherto been credited, and
what system of accounting has been adopted, in regard to the other leases of forest
tracts which it is believed are held by the Forest Department on account of
Government.

*Proceedings of the Madras Government, Revenue Department,
19th January 1871.*

4. I would suggest that I should be permitted to make the disbursement from the general revenue of the taluq, as there appears to be at present no prospect of meeting the charge from that of the Jaghire alone.

SUBMITTED to Government, with the Board's recommendation that sanction be given for the sum of Rs. 391 required to make up Rs. 1,500 due to the Jaghiredar of Periakulrayen for Fasli 1279, being disbursed from the Government treasury as an advance recoverable, to be repaid when the outstanding balances against the Jaghire, stated to amount to Rs. 500, are realized.

2. The Board desire to know why no accounts showing the demand on the Jaghire ryots were made out, and why no Jamabandi was made for Fasli 1279.

3. A searching inquiry into the land-revenue of the Jaghire should be made, and a special report thereon submitted to the Board at the end of the current Fasli.

No. 268.

ORDER THEREON, 19th January 1871, No. 128.

Forests, No. 20.

As a temporary arrangement the Board are authorized to issue instructions to the Collector, in accordance with the first paragraph of their Proceedings; but the Board will, in communication with the Conservator of Forests, consider and report whether there is any reason any, should alone be credited in the accounts under "Miscellaneous Land Revenue, Item 18—Revenue from hill villages."

2. This course should be followed for Fasli 1279.

No. 267. Proceedings of the Board of Revenue, dated 5th November 1870, No. 6,501.

Read again letter from the Collector of Salem, dated 12th July 1870, No. 126, recorded in Board's Proceedings, dated 4th August 1870, No. 5,171.

Read also the following letter from the Acting Sub-Collector in charge of Salem, to the Acting Secretary to the Board of Revenue, dated 20th September 1870, No. 179.

With reference to the Proceedings of the Board of Revenue, No. 5,171, dated 4th ultimo, I have the honour to report that the collections for Fasli 1279 on the Periakulrayen Jaghire up to the end of last month amounted to only Rs. 1,134, from which the pay of the Amin on Rs. 10 per mensem, employed to make collections, has to be deducted, leaving an available balance of Rs. 1,109.

2. There are no accounts showing the demand of the Jaghire, and no Jamabandi of it has been made. The Tahsildar of Ahtoor, however, estimates the outstanding balance at about Rs. 500.

3. The Jaghiredar has now applied for the rent for the past year, viz., Rs. 1,500, and as the collections on the Jaghire itself fall short of this amount, I beg that I may be favoured with the Board's instructions as to how he is to be paid.
