Proceedings of the Madras Government, Revenue Department, 27th July 1871.

No. 337. Read the following Proceedings of the Board of Revenue, dated 11th July 1871, No. 2,871 :—

Read the following letter from the Acting Collector of Vizagapatam, to the Acting Secretary to the Board of Revenue, dated Nakkapilly, 8th June 1871, No. 554.

I HAVE the honour to submit an application from the Superintending Engineer of this division, making the following requisitions :—

(1).—That the estimate-amount for the road from Ankapilly to Chodaveram (No. 6 in the budget) be raised from Rs. 47,000 to Rs. 59,892, the increase being necessary to meet the large compensation required for the land taken up for the road and which was originally under-valued.

(2).—To allow Rs. 8,000 of this year's allotment (Rs. 15,410) for the same road to be transferred to the Revenue Department.

I see no objection to these requisitions being complied with, and request the sanction of the Board for the same.

ENCLOSURE No. 1.

From the Acting Superintending Engineer, 1st Division, to the Acting Collector of Vizagapatam, dated Dowlaishweram, 1st June 1871, No. 675.

IN forwarding herewith copy of a letter No. 136 dated 20th May 1871, received from the Executive Engineer in charge of No. 2 Range, Vizagapatam, I have the honour to request you will be good enough to obtain the sanction of the Board of Revenue to the additional amount* of compensation therein reported to be yet remaining to be paid, making up the total amount of estimate for the road from Chodaveram to Ankapilly to Rs. 59,892.

* Rs. 12,892.

2. Rs. 8,000 out of the year's grant† for the road is available for transfer to the Revenue Department to meet a portion of the amount due for compensation, and I request that the sanction of the Board may be obtained to the proposed transfer.

† Rs. 15,410.

ENCLOSURE No. 2.

From the Executive Engineer in charge of No. 2 Range, Vizagapatam, to the Acting Superintending Engineer, 1st Division, dated Waltair, 20th May 1871, No. 136.

I HAVE the honour to inform you that the whole amount entered in the sanctioned estimate for the Local Fund Road from Ankapilly to Chodaveram, namely, Rs. 3,223, has been paid to the Revenue Authorities. But you will observe from the enclosed statements that the total amount actually required is Rs. 16,115-3-1, deducting from which the amount sanctioned and paid, there remains a balance of Rs. 12,892-3-1, for which an additional sanction must be obtained from the Board of Revenue. The amount entered in the Collector's letter is Rs. 13,892-3-1, but he has not included among the deduction the Rs. 1,000 which was advanced to him on the 23rd March 1870, because the money was not distributed before the close of that official year, and was therefore repaid by the Collector into the treasury, but the payment stands good in the Range Accounts, and I have nothing more to do with it.

2. In applying to the Board for sanction, I would be obliged by you requesting them to transfer Rs. 8,000 of the current year's allotment for the road from the credit of this department to that of the Revenue Department as part payment of the bills.
