## *Proceedings of the Madras Government, Revenue Department,*
## 10*th August* 1871.

No. 53. Read the following Proceedings of the Board of Revenue, dated 28th July 1871, No. 3,152:—

Read the following letter from the Acting Collector of Bellary, to the Acting Secretary to the Board of Revenue, dated 3rd June 1871, No. 263.

THE Board in their Proceedings No. 5,603, dated 5th September 1870, decided that the Gunga Mahal at Pennakondah is not a suitable place for a Cutcherry for the Head Assistant Collector.

2. The building is at present uncared for, and is a receptacle for nuisances. The Overseer of the talook has applied for permission to live in it, and the Superintending Engineer has endorsed his application, stating that, in his opinion, no rent should be charged, as the fact of the place being inhabited would prevent injury to the building, and would also put a stop to the committal of nuisances.

3. The building is not entered in any list kept in this Office, nor was it mentioned in the list of buildings belonging to Government, sent* to the Board in 1866.

* *Vide* Board's Proceedings No. 1,187, dated 20th February 1866.

4. I have the honour therefore to recommend that the Overseer may be permitted to reside in it free of rent.

SUBMITTED for the favourable consideration of Government.

No. 54. ORDER THEREON, 10th August 1871, No. 1,351.

Miscellaneous.

THE Government do not find that the Board expressed their opinion so strongly as stated by the Acting Collector. The Acting Collector will submit, for the consideration of Government, the enclosures returned to him with the Board's Proceedings to which he refers, and will state what arrangements are now in force for providing the Head Assistant with office-accommodation.
