

*Proceedings of the Madras Government, Revenue Department,  
19th August 1871.*

No. 172. Read the following letter from Major R. H. BEDDOME, Conservator of Forests, to the Secretary to Government, Revenue Department, Fort Saint George, dated Trevandrum, 12th August 1871, No. 449 :—

I HAVE the honour to acknowledge the receipt of the Proceedings of the Government of India, dated 12th ultimo, No. 43, communicated in G. O. of the 22nd idem, No. 1,288.

2. The detailed statement, furnished by me to the Acting Accountant-General, with letter No. 279, dated 2nd June 1871, was complete in every particular; it having been drawn up by my Assistant in accordance with the instructions given in the Resolution of the Government of India, dated 27th January 1870, No. 77-E., communicated to the Accountant-General by the Financial Department of that Government; \* but the

general explanation of important deviations from the budget-estimates has not been given, as it usually accompanies the budget-estimates, which are now in course of preparation for the next official year. The abstract, herewith returned, forwarded by the Government of India, together with their Proceedings under reply, appears to have been compiled in the Accountant-General's Office from the detailed statement furnished by me; the latter embraces the several classified items according to the sub-heads of the budget-estimate, of which a duplicate, together with an abstract, are herein enclosed for transmission to that Government. The deviations between the budget-estimates and actuals are fully explained in the column of remarks, as required by the Government of India.

No. 173. ORDER THEREON, 19th August 1871, No. 1,411.

Forests, No. 5.

ORDERED that the above letter and enclosures be forwarded to the Government of India, with reference to the

letter from the Secretary, Agricultural Department, dated 12th July 1871, No. 43. It would seem that the defect in classification therein complained of was the fault of the Account Department which compiled the statement referred for explanation.

2. The explanation afforded by Major Beddome in paragraphs 2 and 4 of his "remarks" on his comparative statement of estimate and actuals indicates that he estimated his receipts without reference to private rights, which the Board of Revenue have found it necessary to defend,
